

# Harbor Beach Community Schools Dual Enrollment Policy

The dual enrollment policy states:

*If a student participating in the postsecondary (dual) enrollment program fails to successfully complete an eligible course, the student and his/her parents are responsible for reimbursing the District for such charges incurred by the District for such enrollment. In the event reimbursement is not made in a reasonable period of time, the Superintendent is authorized to file a claim against the student and/or his/her parents in Small Claims Court for collection.*

Harbor Beach Community Schools defines **“successfully complete”** as **earning a C or higher** in the college course so that it is transferable and earns credits for the student towards a program degree.

Fall semester typically ends on or around December 15th.

Winter/Spring semester typically ends on or around May 5th.

College and high school calendars do not line up perfectly, yet HBCS is still required to track student attendance, and students are expected to be in school. Therefore, please choose from one of the following options for the last 5-6 weeks of school after fall/winter/spring semesters conclude:

- Study for AP Tests.
- Work on Khan Academy ([www.khanacademy.org](http://www.khanacademy.org)) for SAT preparation.
- Earn service credits.
  - Become a PE leader during that time (Many senior PE leaders are done and need replacements. See Mrs. Tamlyn to get involved in this awesome opportunity!)
  - Help teachers clean desks, rooms, etc.
  - Assist Mr. Kowaleski with cleaning projects.
  - Become a Beach Buddy (peer mentor).
- Apply for scholarships.
  - Go to [www.goingmerry.com](http://www.goingmerry.com) to register and start applying. It is never too early.
  - Set yourself a goal to apply for three a week and utilize your DE time to do so.
- Read for enjoyment! Studies show that the more you read, the better and faster you get (not to mention learning).
- Research careers and colleges on Xello ([login.xello.world](http://login.xello.world)). Take virtual tours.
- Add experiences to Xello ([login.xello.world](http://login.xello.world)); work on updating your resume.
